

STRATEGIC LEADERSHIP TRAINING SOLUTION

Strategic Leadership will take your managers from ordinary to extraordinary

Our newly revamped Strategic Leadership will turn your managers from one trick ponies into leaders with a complete repertoire of leadership options.

This easy to use program enables anyone to quickly teach managers how to become better leaders.

Participants take the assessment and conduct exercises to learn their own natural leadership style, learn new leadership styles and learn how to appropriately choose the correct leadership style for any given situation.

Most Managers Have One Leadership Style

Most managers learn one leadership style that works early on in their career and stick with that style throughout their career. But these one trick ponies cannot cope with the 21st century workforce dynamics and changing business environment.

Managers need multiple leadership styles to work with the diverse workforce of the future.

Are your managers prepared for the 21st century?

Strategic Leadership Training Resources 1-2-3

Now completely updated with easier to use and more powerful Facilitator Guides and more resources, Strategic Leadership is your complete Leadership solution.

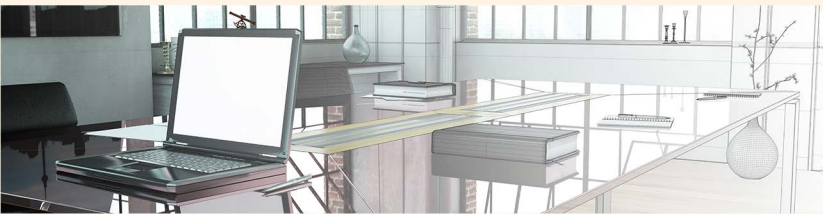

1. Complete the assessment and study the pretraining coaching sheets to prepare for training.
2. Use the Facilitator Guide and Participant Guide to facilitate assessment results and teach different leadership styles. Simply play the videos imbedded in the power point slides and facilitate the exercises. It is that simple!
3. Use additional resources to reinforce skills learned during training and to ensure transfer of learned skills to on the job performance improvement.
